

## PLAYER SUPPORTER

Prospective Sponsor,

Thank you for taking the time to consider becoming a **Supporter** of our Academy Competitive Teams Program player. This letter briefly provides a further understanding of our Academy and what your sponsorship will mean to our athletes.

Established in 1996, Bryst Football Academy has a proud tradition of developing student athletes through our Academy Pathway. We provide a year-round Training and Skills Development Program as well as a Competitive Teams Program that participates in Premiere Leagues and high-profile International Tournaments and Showcases. As you can imagine, the cost for such an elite-level training program with travel can present affordability concerns for a player.

We are inviting you to assist our young athletes, by participating in a sponsorship opportunity as a **Supporter**. Your contributions will be targeted exclusively to lessen the growing costs of the player and team, enabling all players to fully participate in Team Training Programs, Premiere Leagues and International Tournaments and Showcases.

Bryst Football Academy Inc. is making available our company properties and assets (website, social media, membership, newsletters, etc.) to you for your support of our athletes. We will also provide you with an advertising receipt for accounting purposes.

If interested in this opportunity, please complete the form, and return it along with your financial commitment payable to Bryst Football Academy Inc.

Thank you for becoming a **Team Supporter** and supporting these talented athletes. If you have any questions, please feel free to contact our office directly.

*Bryst Football Academy takes great pride in helping prepare our young athletes between the ages of seven to eighteen to develop physically, mentally, and emotionally to learn values and reach standards that will enable them to achieve sporting and academic excellence.*

Sincerely,

Belinda Paolucci  
Managing Director, Bryst Football Academy
